ID President Patricia de Lille has described Bree Rivier Municipality Councillor Philip Horne, who passed away on Friday morning after a long battle with cancer, as 'a loyal and dedicated founding member of the Independent Democrats.

'Oom Philip never missed an ID meeting. Even though he was already very sick, he still attended the ID National Conference on 20 March – such was his dedication,' Ms De Lille says.

'Our thoughts and prayers are with Oom Philip's family during this time of sorrow. You have lost a very, very special husband, father and brother.'
